TOTAL SUPPORT FOR YOUR BUSINESS

ONE BRANCH OR MULTI-SITES - WE DESIGN, MANUFACTURE AND INSTALL
A TOTAL SOLUTION

we know the workings of a builders merchants operation inside out, our comprehensive range of storage equipment is specifically designed to offer merchants flexibility and durability as well as an unlimited variety of merchandising options for any product to be stored, be it heavyside, lightside, timber or retail.

A successful merchant operation relies heavily on efficient stock rotation as well as ensuring the health and safety on site of both staff and customers alike.

FROM FRONT OF SHOP THROUGH TO WAREHOUSE AND YARD, STAKAPAL WORK WITH INDEPENDENT MERCHANTS PLUS LEADING MULTI-NATIONAL ORGANISATIONS TO PROVIDE STORAGE SOLUTIONS

Any merchandising area will benefit from our Integrated Storage Systems which combine a trade environment with full merchandising and storage facilities. Whatever the capacity of your self-selection area, our systems offer you the versatility to present a comprehensive range of products in a smart and visually clean format.

Our extensive knowledge gained over four decades of servicing the merchants sector has enabled us to work in partnership with thousands of independent and national organisations. In doing so we have developed a vast range of very specific storage profiles to service the unlimited range of products that merchants have on offer.
